BETTERMENT OF KITCHEN & HOME PRODUCT

We take this opportunity to introduce ourselves as the manufacturer of the kitchenware & homeware products brand 'GANESH' which is one of the leading brands in India. The company was established in the year 2002. It is located in Rajkot, Gujarat which is one of the fastest growing places in India. The company is committed to giving the highest quality standard using the best raw materials. We believe in adopting high-standard quality control measures. Our mission is to provide quality products at reasonable rates with the best customers service support. Our motto is customer satisfaction and quality products.

We always strive to provide satisfaction to every customer we serve. We use excellent workmanship to manufacture products with advanced system and technology. Hence, our goal is to give consistent quality products. The company manufactures a wide range of Kitchenware and Home Appliances range. This range of products has been launched all over India and is available in almost all outlets across India. Domestically and globally, we are supplying products to various markets and always efforts to develop the global foot print of "GANESH" Brand products. We have also launched an exclusive range of Hygienic and cleaning aids products under brand "NEOCLEAN". NEOCLEAN range will certainly make cleaning more simplified, more satisfied for your kitchen, toilet & household. We will keep working more rigorously in making "GANESH" & "NEOCLEAN" brands as the most upcoming brands in India.
